## SUNDAY SCHOOL for 3<sup>rd</sup> Quarter 2023 - Month of August

MODERATOR: Pr. Fatima Alcalde

### FOCUS:

## **OUR FAITH CANNOT MAKE GOD DO ANYTHING THAT HE HAS NOT YET PROVIDED BY GRACE**

### August 6:

- a) Before creation, God provided salvation to all mankind, by grace;
- b) God foreknew man will fall, He gave them Jesus to suffer for sins;
- c) But every man needs faith in Jesus to receive salvation for himself.

### August 13:

- a) Healing is like salvation - a provision of God also obtainable by faith;
- b) By faith one must believe sickness is not from God, but from satan;
- c) By His stripes, Jesus took upon himself all our pains and sufferings;

### August 20:

- d) Same way as in poverty and lack, Jesus became poor so we can be rich;
- e) But we need to accept God to be our source, not this world nor our self;
- f) We receive by giving to others making us like a river of God's blessing.

### August 27:

- a) God's own nature is love, we need to acquire the same nature ourselves;
- b) If we give our goods to the poor, or allow us to burn, but no love, still its nothing;
- c) Jesus said love each other, as I have loved you, not to get love in return.
