SUNDAY SCHOOL - BIBLE FORUM

November 2023 – NJ MODERATOR - Pr. Donna Sobejana

FOCUS:

HOW TO BELIEVE THE WORD OF GOD & LIVE IT:

*(KNOW IT IN YOUR MIND, UNDERSTAND IT WITH YOUR HEART,
AND LET IT OVERWHELMINGLY RULE YOUR LIFE)*

Nov. 5 –

- a) Normally, knowledge enters thru any of our 5 senses going straight to the brain or mind;
- b) We need to understand every knowledge by filtering it from the mind down to our heart;
- c) Understanding with the heart and believing with the spirit are foundational laws of God.

Nov. 12 –

- a) An ordinary Christian who believes based on his senses are carnal and has “human faith”;
- b) The true born again Christian believes independent of his senses and has the “faith of God”;
- c) Human faith does not rise to the level of faith that we received when we were born again.

Nov. 19 –

- a) Unless we believe the WOG with “faith of God” that faith may not save, heal or prosper us;
- b) True faith of God in His Word would bring out from us love, joy and all fruits of the Spirit;
- c) Understanding with the mind is the highest deception a believer has because it is hypocrisy.

Nov. 26 –

- c) I am crucified with Christ, nevertheless I live, but the life that I now live is the life of Jesus;
- d) Who not only loved me with an everlasting love, but also gave up his life so that I may live;
- e) And now I sing :“AMAZING GRACE” Christ Jesus paid all my debt that I could never pay!
