INTERACTIVE BIBLE STUDY GUIDE

3rd QUARTER 2025 SUNDAY SCHOOL

JULY 2025

Pr. Joselito M. Rosca – NJ MODERATOR:

PEOPLE EVEN CHRISTIANS HAVE RESIGNED TO THE MISCONCEPTION THAT PEOPLE GET SICK BECAUSE IT IS GOD'S PUNISHMENT FOR SIN. AND BECAUSE ALL HAVE SINNED ACCORDING TO THE BIBLE, WE CANNOT DO ANYTHING BUT TO ACCEPT IT – AS GOD'S WILL.

**THIS IS HORRIBLE, DO NOT BELIEVE WHAT PEOPLE SAY.
ONLY BELIEVE WHAT GOD IS TEACHING IN THE BIBLE**

July 06

- (a) God wants you well, - actually, Jesus said, we were healed by His stripes;
- (b) God does not punish our sin with sickness, instead, He heals us when sick;
- (c) Each stripe Jesus received in His body on the cross represents our healing.

July 13

- (a) Jesus took upon himself our penalty for sins; so did He, for our diseases;
- (b) By assuming our sicknesses, He relieved us from suffering them ourselves;
- (c) The only thing we need to be healed is believe in our heart that this is true.

July 20

- (a) Instead of enduring sickness, just believe Jesus assumed it all on the cross;
- (b) Believe you are healed even before you were born, even before you got sick;
- (c) Believe it is true, because healing like salvation is only received thru faith.

July 27

- (a) God is Good, He created people out of love, why would He kill them now;
- (b) God says my people perish for lack of knowledge, Jesus died for all sins;
- (c) Jesus is our Savior, those who don't believe in Him are yet in their sins and sick.
